**Children's Ministry:** Useful information for Parents – PLEASE check your child in accordingly:

- **Special Needs Class:** We provide a class during the first service in Room 205.
  - **Sunday School Classes:** We provide age appropriate Sunday School instruction for Children 2 years of age (by September 30, 2019) through 6<sup>th</sup> grade. Please check children into their respective classrooms after worship concludes and before teaching begins.
  - **Nursery:** We provide a Nursery environment for children under 2 years of age where they can be cared for during the service. Children can be checked in before worship begins.
- Check in:** It is necessary for children to be checked in and out of their classrooms.
- **Security Card:** Please note the number in the upper right-hand corner of your child's drop off card. This number will be displayed on the overhead screen should your child require your attention.

**Nursing Mother's Room:** We provide a comfortable environment for nursing moms which includes a live broadcast of the service. We encourage nursing moms to utilize this room during the service.

*Ushers and Greeters are available to direct you to the appropriate room.*

**Sanctuary Setting:** We desire to teach the Bible at an adult-appropriate level and in a distraction-free environment where people can focus on the Lord and be encouraged in their faith. To that end, we ask that you observe the following to be considerate of others:

- **Cell phones:** Please silence them during the service.
- **Distractions:** Please limit unnecessary distractions during the service.
- **Food and Drink:** Please do not bring food or drinks into the Sanctuary – unless medically necessary.
- **Assisted listening headphones and wireless headsets:** Are available during each service and are located at the soundboard.

**Please Note:** We understand there are occasions when parents may feel it is necessary to have their children sit with them during the service. If such a need arises, we would ask you to please sit near the rear of the sanctuary to limit distractions. While we always seek to be gracious, if it becomes necessary, an Elder, Deacon or Usher may ask you to quietly exit the Sanctuary. We would ask you to please honor their request.
