

Support Israel: Many in Israel have become refugees in their own country because they have had to evacuate with no plan of when or if they can return to their homes. We have an opportunity to ship items to refugees and IDF soldiers. Items should be new, in their original wrapping, and not opened for security purposes. Also, no sample or hotel sized please.

Here is a list of the most needed items that we are collecting:

- Tourniquets,
- energy bars,
- baby wipes,
- toothbrushes,
- toothpaste,
- Visine (or saline drops),
- Chapstick,
- sunscreen,
- tissues (Kleenex/Puffs),
- hand sanitizer,
- body wash,
- Q-tips,
- deodorant, and
- dental flossers.
